50 Years Plus of APT Conferences & Training Courses (updated 11/26/19)

- 2020 Annual Conference, Edmonton, Alberta, Canada; Theme: Hindsight 2020: Conservation, Disruption and the Future of Heritage; Joint conference between APT and the National Trust of Canada, October 3-7, 2020
- 2019 Annual Conference, Miami, FL, USA; Theme: Gateway to the Hemisphere; Tracks focused on how climate change, tourism, development pressures, and gentrification are shaping heritage places; November 19-23, 2019
- APT Workshop 1: Post-Disaster Safety Evaluations for Existing Structures
- APT Workshop 2: Conservation of Modern Concrete and Terrazzo Flooring
- APT Workshop 3: Understanding the Role of Material Testing in the Preservation Design Process
- APT Symposium: Heritage Values and Climate Action Planning, November 19, 2019
- 2019 APT Masonry Cleaning Workshop, University of Oregon, Portland, OR, May 3, 2019
- 2018 50th Annual Conference, Buffalo, NY, USA; Theme: "Points of Departure" and Celebrating APT's 50th Anniversary, September 22-27, 2018
- APT Workshop 1: Terra Cotta Restoration Workshop
- APT Workshop 2: Window Restoration Workshop (a Legacy Workshop)
- APT Workshop 3: Non-Destructive Evaluation Methods for Historic Structures Workshop
- Symposium: The Next Fifty – Points of Departure, will present ideas for the future of preservation technology and APT
- 2018 APT Stone Conservation Course in Stirling, Scotland; May 7-12, 2018
- 2018 APT's Building Science and Preservation, *New Approaches and Technologies to address Challenges in Rehabilitating Historic Structures*, School of the Art Institute of Chicago, Chicago, IL; June 4-5, 2018
- 2018 APT Masonry Cleaning Workshop, International Masonry Institute Training Center, Bowie, MD, and Washington, DC; USA; April 20-21, 2018
- 2017 Preservation Engineering Workshop by Michael Schuller & James Mason, Sponsored by APT and NPS Vanishing Treasure's Program in Tumacacori National Historical Park, AZ, USA; November 14-16, 2017
- 2017 Introduction to Masonry Preservation Workshop by Frank Matero & Ian Hough, Sponsored by APT and NPS Vanishing Treasure's Program in Wupatki National Monument, AZ, USA; October 23-27, 2017
- 2017 Annual Conference, Ottawa, Ontario, Canada, Theme: "CAPITALizing on Heritage: Community, Government & Savoir-Faire," October 11-14, 2017
- APT Workshop 1: Log & Timber Frame Conservation, held at Chateau Montebello, Quebec
- APT Workshop 2: Masonry/Mortars
- APT Workshop 3: Digital Diagnostics and Technology

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- 2017 Building Diagnostics: Defining the Problem Workshop by Michael C. Henry, Sponsored by APT and NPS Vanishing Treasure's Program, Grand Teton National Park, WY, USA; September 25-27, 2017
- 2017 Moisture Management in Historic Buildings and New Assemblies Workshop by Bill Turner, Sponsored by APT and NPS Vanishing Treasure's Program, Grand Teton National Park, WY, USA; August 29-31, 2017
- 2017 Working with Traditional Wood Finishes: Lime-based Treatments Workshop by Sarah Jackson, Sponsored by APT and NPS Vanishing Treasure's Program, Grand Teton National Park, WY, USA; July 25-27, 2017
- 2017 Documentation Technologies Workshop sponsored by APT and Central Plains Chapter in Omaha, NE, USA; April 28-29, 2017
- 2017 Mesa to Mountain: Preservation in the American West sponsored by APT, Rocky Mountain Chapter, Pacific Northwest Chapter, and Western Chapter in Salt Lake City, UT, USA, March 23-25, 2017
- 2017 Documentation Technologies Workshop sponsored by APT and the National Park Service as part of the NPS Vanishing Treasures Training Program in Point Reyes Seashore National Park, CA, USA; February 8-9, 2017
- 2016 Annual Conference, San Antonio, TX, USA; Theme: "Preserving Heritage with Tomorrow's Technologies" October 30 – November 3, 2016
- APT Workshop: Building Science and Systems: New Approaches and Technologies for Rehabilitating Historic Structures
- APT Workshop: Conservation of Limestone and Sandstone Sculptures and Building Ornament
- APT Symposium: Water, Water Everywhere! Developing Technical Guidance for Protecting Historic Buildings from Flooding and Sea Level Rise, in conjunction with the National Center for Preservation Technology and Training
- 2016 Documentation Technologies Workshop cosponsored with Northeast Chapter in Boston, MA, USA; September 23-24, 2016
- 2016 The Preservation of Ancestral Puebloan Masonry Workshop, sponsored by APT and the National Park Service as part of the NPS Vanishing Treasures Training Program in Mesa Verde National Park, CO, USA; September 20-22, 2016
- 2016 Masonry Cleaning Workshop, cosponsored with Chicago Chapter, Chicago, IL, USA; June 17-18, 2016
- 2016 Documentation Technologies Workshop sponsored by APT and Delaware Valley Chapter in Philadelphia, PA, USA; March 11-12, 2016
- 2015 Annual Conference, Kansas City, MO, USA; Theme: "Convergence of People and Places: Diverse Preservation Technologies and Practices;" November 1-5, 2015
- APT Workshop: Conservation of Modern Concrete
- APT Workshop: Conservation of Dry-Laid Stone Masonry: It's Not Just Stacking Stone!
- APT Workshop: Fountain Fundamentals
- APT Symposium: Renewing Modernism: Emerging Principles for Practice

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- 2015 Documentation Technologies Workshop sponsored by APT and Hawaii-Pacific Chapter in Honolulu, HI, USA; September 4-5, 2015
- 2015 Jewels of Light Stained-Glass Symposium, Washington, DC, USA; sponsored by APT and Washington DC Chapter, June 19-20, 2015
- 2015 APT Training & Education Committee creates webinar “Protecting Cultural Heritage from Disasters”, supported by a grant from the National Center for Preservation Technology and Training (NCPTT), available online beginning in March 2015
- 2014 Annual Conference, Québec City, Québec, Canada; Theme: “Métissage: The Fruitful Encounter of Differences;” October 26–30, 2014
 - APT Workshop: Doing More with Less: Preserving Fortifications in the 21st Century
 - APT Workshop: Preservation Engineering: Principles and Practice in the Assessment and Treatment of Heritage Structures
 - APT Workshop: Savoir-Faire: Bridging the Gap between Tradition and Modernity
 - APT Workshop: Documentation Data: The Platform for Condition Analysis and the Basis for Preservation Project Planning
- 2014 Historic Finishes Workshop at University of Colorado Denver, in conjunction with NCPTT and APT Rocky Mountain Chapter, Denver, CO, USA; June 13-14, 2014
- 2014 APT Training & Education Committee creates webinar “Curtain and Cavity Walls: Preservation and Technical Considerations”, supported by a grant from the National Center for Preservation Technology and Training (NCPTT), available online beginning in March 2014
- 2013 Annual Conference, New York, NY, USA; Theme: “Preserving the Metropolis,” October 12–15, 2013
 - APT Workshop: Disaster Preparedness and Response
 - APT Workshop: Conservation of Metal Finishes in Modern Architecture (1940-1970)
 - APT Workshop: Choosing Tests and Evaluating Results for Historic Masonry Materials
 - APT Workshop: Hands-on Construction of Guastavino Thin Tile Vaults
- 2013 Spring Workshop at Taliesin on Historic Finishes Workshop, in conjunction with the National Center for Preservation Technology and Training, Spring Green, WI, USA; June 13-15, 2013
- 2013 Nondestructive Evaluation Methods for Historic Structures, in conjunction with the National Center for Preservation Technology and Training and the APT Hawaii-Pacific Islands Chapter, Bishop Museum, Honolulu, HI, USA; April 11-12, 2013
- 2013 APT Training & Education Committee creates webinar “Stone Preservation: Merging Traditional Approaches with Modern Technology”, supported by a grant from the National Center for Preservation Technology and Training (NCPTT), available online beginning in April 2013
- 2013 APT Training & Education Committee creates webinar “2012 APT Charleston Conference Keynote Speaker, Joseph P. Reilly (Mayor of Charleston, SC), “Preserving the Heart of a City”; and College of Fellows Lecture, Dr. Gerard Lynch (Milton Keynes, Buckinghamshire, England), “Re-positioning Craft Education to Re-connect Artisans to Designers,” supported by a grant from the National Center for Preservation Technology and Training (NCPTT), available online beginning in 2013

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- 2012 Annual Conference, Charleston, SC, USA; Theme: "Cornerstones: Collaborative Approaches to Preservation," September 29 – October 4, 2012
- 16th annual International Preservation Trades Workshop with Preservation Trades Network
 - APT Workshop: Traditional Masonry Practice and New Approaches to Preservation Education
 - APT Workshop: What's Wrong with My Windows? Care and Conservation of Historic Glazing
 - APT Workshop: If These Walls Could Talk: Examining Historic Decorative Finishes at the Aiken-Rhett House
- 2012 Spring Workshop at Taliesin on Diagnosing Existing Buildings: Masonry, Stucco, Structural, Moisture & Energy, in conjunction with the National Center for Preservation Technology and Training, Spring Green, WI, USA; June 14-16, 2012
- 2011 Annual Conference, Victoria, British Columbia, Canada; Theme: "Heritage on the Edge: Sustaining Buildings, Landscapes and Communities," October 11-16, 2011
- APT Symposium: Victoria Sustainability Symposium
 - APT Workshop: Masonry in a Marine Environment
 - APT Workshop: Condition Assessment of Structural Timbers
 - APT Workshop: Managing Change and Use over Time: Effective Approaches to Cultural Landscapes (canceled due to lack of interest)
- 2011 Spring Workshop at Taliesin on Engineering Diagnostics: Nondestructive Methods for Evaluating Historic Structures, in conjunction with the National Center for Preservation Technology and Training, Spring Green, WI, USA, May 20-21, 2011
- 2011 Timber in Historic Structures: Inspection, Investigation and Repair in conjunction with the National Center for Preservation Technology and Training and the Australia APT Chapter, March 18, 2011
- 2011 Cuba Research Trip to Havana for 30 APT members (sold out in first hour of registration) February 4-13, 2011
- 2010 Engineering Diagnostics: Nondestructive Evaluation, in conjunction with the National Center for Preservation Technology and Training, Presidio, San Francisco, CA, USA, November 5-6, 2010
- 2010 Annual Conference, Denver, CO, USA; Theme: "Layers Across Time – Preserving a Diverse Western Heritage," October 6-9, 2010
- Symposium: Sustainability = Stewardship: Maintenance, Durability and Life Cycle; in collaboration with APTI, US General Services Administration and the Historic Resources Committee of the American Institute of Architects
 - APT Workshop: Foundations and Soils in Historic Preservation
 - APT Workshop: Cast Stone and Historic Concrete Rehabilitation
 - APT Workshop: Envelope Performance Testing, Modeling and Monitoring
- 2010 Spring Workshop at Taliesin on "An Interdisciplinary Approach to Preserving Wood in Historic Structures", WI, USA; May 23-25, 2010
- 2009 Annual Conference, Los Angeles, CA, USA; Theme: "Preservation in the City Without Limits," November 2-6, 2009
- APT Workshop: Architectural Ceramics

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- APT Workshop: Movin' & Shakin': Advances in Seismic Retrofit
- APT Workshop: Injection Grouts for the Conservation of Architectural Surfaces
- APT Symposium: Capturing the Past for Future Use: Integrating Documentation with Repair, Design and Construction Practice in Historic Buildings
- 2009 Engineering Diagnostics: Nondestructive Evaluation in conjunction with the National Center for Preservation Technology and Training, NPS Historic Preservation Training Center, Frederick, MD, USA; May 6-7, 2009
- 2009 Repairs and Specifications for Wood in Existing Buildings, in conjunction with the Northwest Chapter of APT, March 14, 2009
- 2008 40th Annual Conference, Montréal, Quebec, Canada; Theme: "Moving Forward, Looking Back," October 13-17, 2008
- APT Workshop: Conservation of Building Envelopes in Cold Climates
- APT Workshop: Crafts and Trades: Wood Restoration, Stained Glass, Masonry Materials, & Masonry Restoration
- APT Symposium: Restoration & Renewal – Reshaping Sustainability
- 2008 Engineering Diagnostics: Nondestructive Evaluation Methods for Historic Structures in conjunction with the National Center for Preservation Technology and Training, Charleston, SC, USA; May 16-17, 2008
- 2008 Wood Assessment and Diagnostic Techniques, Repairs and Specifications, in conjunction with the Delaware Valley Chapter of APT, March 27, 2008
- 2007 Annual Conference, San Juan, Puerto Rico, US Territory; Theme: "Old World Technologies Adapting in the New World," November 3-7, 2007
- APT Workshop: Traditional Lime and Brick-dust Mortars for Restoration
- APT Workshop: Preservation of Wood in Historic Structures – Architecture, Engineering and Craft
- APT Workshop: Architectural Conservation
- 2006 Annual Conference, Atlanta, GA, USA; Theme: "Crossroads in Heritage Conservation: When Modern Becomes Historic," September 13-16, 2006
- APT training course on Conservation Techniques: Stone Restoration Techniques
- APT training course: On the Ground: Implementing Management Plans for Cultural Landscapes
- APT Colloquium: Wind, Flood and Heritage Recovery
- 2006 Building Codes and Historic Rehabilitation Conference, Co-sponsored with AIA HRC and Traditional Building Show in Chicago, IL, USA; April 5-6, 2006
- 2005 Annual Conference, Halifax, Nova Scotia, Canada; Theme: "Managing Technology, Time and Chaos," September 21 - 26, 2005
- Symposium: Sustainable Heritage Conservation
- Symposium: Conservation Project Management Symposium
- APT technical workshop: Building Envelopes for Historic Buildings

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- APT technical workshop: Historic Concrete
- 2004 Annual Conference, Galveston, TX, USA; Theme: "Raising the Grade for Preservation," Nov. 3 - 7, 2004
- APT Symposium: Patrimony and Pragmatism: Design Excellence and Preservation Standards, cosponsored with US General Services Administration and the US National Park Service
- APT technical workshop: Conservation of Decorative Paint
- APT technical workshop: Metals Conservation and Preservation
- APT technical workshop: Preservation Engineering Diagnostic: Non-Destructive Testing for the Evaluation of Historic Structures
- 2003 Annual Conference, Portland, ME, USA; Theme: "21st Century Preservation – Conservation and Craftsmanship," September 17-20, 2003
- APT training workshop: Masonry Conservation: Mortar Technology
- APT training workshop: Wood Preservation: Maritime & Timber Framing
- APT training workshop: Conservation & Interpretation: CAP Assessments
- APT training workshop: Professional Development Program in Engineering: Materials and Older Buildings and Building Pathology
- 2002 Annual Conference, Toronto, Ontario, Canada; Theme: "Extreme Impacts: Measured Response," September 10-15, 2002
- APT technical workshop: Scaffolding for Historic Structures
- APT technical workshop: Stained Glass Conservation
- APT technical workshop: Conserving Stone Monuments and Tombstones
- Symposium: International Responses to Fire: Prevention and Retrofit (learning by fire)
- 2001 Annual Conference, Asilomar, CA, USA; Theme: "The Test of Time: Reflecting on the Past, Planning for the Future," October 3-10, 2001
- APT technical workshop: Scaffolding for Historic Preservation Projects
- APT technical workshop: Conservation of Historic Adobe
- APT technical workshop: Seismic Retrofit for Historic Buildings
- APT technical workshop: Historic Concrete
- 2000 Annual Conference, Philadelphia, PA, USA; Theme: "Preserving the Recent Past II," October 8-13, 2000
- APT Symposium: Preserving the Twentieth Century Curtain Wall
- APT technical workshop: Modern Historic Concrete
- APT technical workshop: Coatings for Architectural Surfaces
- APT technical workshop: Glass in Historic Buildings: 1750 to 1950
- APT technical workshop: Twentieth Century Sculpture: Preserving Art of the Recent Past

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- 1999 Annual Conference, Banff, Alberta, Canada; Theme: "Winds of Change," October 20-26, 1999
APT technical workshop: Exterior Woodwork Details, Conservation & Protection
APT technical workshop: Information Technology & Heritage Conservation
APT technical workshop: Sustainable Cultural Landscapes
- 1998 Annual Conference, Williamsburg, VA, USA; Theme: "Learning from Landmarks," November 6-12, 1998
APT training course on Coatings for Architectural Surfaces
APT training course on Architecture of the Chesapeake
APT / AIC Symposium: Museums in Historic Buildings III: Lighting for Museums in Historic Buildings
- 1997 Annual Conference, Chicago, IL, USA; Theme: "APT97: Less Is More," September 25-30, 1997
APT training course on Metals in Historic Buildings: Investigations and Rehabilitation
APT training course on Historic Concrete Conservation: Investigation and Repair
- 1997 Windows Conference II co-sponsored with the National Park Service, and the Historic Preservation Education Foundation in Washington, DC; February 19-21, 1997
- 1996 Annual Conference, Winnipeg, Manitoba, Canada; Theme: "Building Ideas / Idées à Bâtir," Hotel Fort Garry, September 26-October 1, 1996
APT training course on Log Structure Conservation
APT training course on Masonry Conservation: Terra Cotta and Cast Stone
- 1995 Annual Conference, Washington, DC, USA; Theme: "Adapting to a Changing Preservation World," November 14-18, 1995
APT training course on Graphic Documentation of Historic Buildings
APT training course on Historic Bridges
APT training course on Monuments and Sculpture
- 1995 APT Seminar on Current Collections Management Practices for Architectural Fragments, Williamsburg, VA, USA; Co-sponsored with US National Park Service, The Center for Historic Preservation, Middle Tennessee State University, and The Colonial Williamsburg Foundation, September 10-13, 1995
- 1995 Restoration 95, Boston, MA, USA; cosponsored with EGI/RAI Tradeshow, Hynes Convention Center, February 26-28, 1995
APT training course on Masonry Conservation
APT training course on Historic Building Hardware
APT training course on Historic Landscape Architecture
- 1994 Annual Conference, Seattle, WA, USA; Theme: "Water Air Earth Fire," October 2-9, 1994
APT training course on Wood Construction
APT training course on Environmental Issues in Preservation

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- APT workshop on Computer Applications in Heritage Conservation
- APT workshop on Traditional and Cultural Landscapes
- 1993 Restoration 93, Boston, MA, USA; cosponsored with EGI/RAI Tradeshow, December 6-8, 1993
- 1993 25th Annual Conference, Ottawa, Ontario, Canada; Theme: "APT XXV CAN: 25th Anniversary, Adapting in a Changing World," September 29-October 2, 1993
- APT training course on Historic Roofing: Slate and Copper
- APT training course on Intermediate Masonry
- 1993 AIC and APT hold third joint conference on Collections in Historic Buildings, Denver, CO, USA; June 2-3, 1993
- 1992 Annual Conference, Philadelphia, PA, USA; Theme: "Forward to the Past," September 20-26, 1992
- APT training course on Stained Glass Conservation
- APT training course on Repair and Replication of Ornamental Plaster
- 1991 Annual Conference, New Orleans, LA, USA; Theme: "Confluence and Continuity: A Celebration of Place and Technology", September 22-28, 1991
- APT / AIC Symposium: Museums in Historic Buildings II
- APT training course on Conservation Engineering II: Timber-Frame Construction
- APT training course on Preservation of Outdoor Monuments and Cemetery Art
- 1990 Annual Conference, Montreal, Ontario, Canada; Theme: "Preserving for the 21st Century," September 2-9, 1990
- APT / AIC Symposium: Museums in Historic Buildings I in Montreal
- APT training course on Conservation Engineering I: Churches and Industrial Buildings
- APT training course on Landscape Preservation Technology
- APT training course on Masonry Conservation: The French Know-How / Maçonnerie: le Savoir-Faire Français
- 1990 Toronto, Ontario, Canada; ICOMOS Canada / APT Training Course on Stone Conservation, Date not known
- 1989 Ottawa, Ontario, Canada; ICOMOS Canada / APT Training Course on Stone Conservation, Date not known
- 1989 Annual Conference, Chicago, IL, USA; Theme: "Make No Little Plans," Palmer House Hotel, September 4-9, 1989
- APT training course on Historic Concrete: Investigation and Repair
- APT training course on High-rise Buildings: Investigation and Analysis
- 1988 20th Annual Conference, Boston, MA, USA; Theme: "20/20 Visions: Celebrating Preservation Progress Charting the Future," October 5-8, 1988
- APT training course on Preservation of Historic Landscapes
- APT training course on Preservation Technology of Building Materials: Paints and Coatings

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- APT training course on Documentation and Assessment Techniques: Charting the Future
- 1988 APT Study Tour of England to London, Bath, and York; April 26-May 6, 1988
- 1988 Contractors, Technicians & Craftsmen of APT present "Theory and Practice: Bridging the Gap," New York City, NY, USA; February 13-14, 1988
- 1987 Annual Conference, Vancouver/Victoria, British Columbia, Canada; Theme: "Wood & Water", September 14-20, 1987
- APT training course on History, Doctrine and Philosophy of Preservation Technology
- APT training course on Preservation Technology of Materials: Wood
- APT Advanced Seminar: Selected Topics on Wood Preservation
- 1987 Home Renovation Seminar, Ottawa, Canada, Date not known
- 1986 Windows Conference 1, Cosponsored with APT, National Park Service, and the Historic Preservation Education Foundation, Boston, MA, USA; December 2-4, 1986
- 1986 Annual Conference, Austin, TX, USA; Theme: "Handcrafted to Machine-Made," September 29-October 4, 1986
- APT training course on Methods and Standards for the Conservation of Historic Bridges
- APT training course on Manufactured Building Hardware, 1840-1920
- APT training course on Preservation is Maintenance
- 1985 Annual Conference, San Francisco, CA, USA; Theme: "Technology of Systems and the Conservation of Materials," Sheraton Plaza Hotel, September 4-7, 1985
- APT training course on Deterioration and Preservation of Architectural Concrete
- APT training course on Paint Analysis and Application
- APT training course on Seismic Strengthening of Historic Buildings
- 1985 Successful Rehabilitation workshops held in Cincinnati, OH; San Antonio, TX; Charleston, SC; Albany, NY; and Denver, CO, USA; Dates not known
- 1984 Annual Conference, Toronto, Ontario, Canada; Theme: "Principles in Practice: Philosophical Challenges / Technical Responses," September 19-23, 1984
- APT training course on Historical Archaeology as a Tool in Architectural Restoration
- APT training course on Masonry Conservation and Cleaning
- 1984 Successful Rehabilitation workshops held in San Francisco, CA; Savannah, GA; Chicago, IL; Boston, MA; and Seattle, WA; Dates not known
- 1983 Annual Conference, Nashville, TN, USA; Theme: "Yesterday's Heritage – Today's Technology," September 25-October 1, 1983
- APT training course on Evaluating Historic Structures for Rehabilitation
- APT training course on Deterioration and Preservation of Architectural Terra Cotta
- 1983 Successful Rehabilitation workshops held in New Orleans, LA; Baltimore, MD; St. Louis, MO; and Pittsburgh, PA, USA; Dates not known

The Association for Preservation Technology International
Association internationale pour la préservation et ses techniques

- 1982 Annual Conference, Banff, Alberta, Canada; Theme: "Maintenance and Stabilization of Historic & Cultural Resources," October 24-27, 1982
APT training course on Wood Preservation Technology
APT training course on Care, Maintenance and Restoration of Stained Glass
- 1981 Annual Conference, Washington, DC, USA; Theme: "Rehabilitation / Technology," October 5-11, 1981
APT training course on Preserving the Historic Landscape
APT training course on Energy Conservation in Historic Structures
- 1980 Annual Conference, Quebec City, Quebec, Canada; Hotel Le Concorde, Theme: "Urban Conservation and the Conservation of Business," September 29-October 4, 1980
APT training course on Restoration and Repair of Small Vessels and Ships
APT training course on Moulding, Casting and Conservation of Plaster and Other Decorative Work
- 1979 Annual Conference, Denver, CO, USA; Brown Palace Hotel, in conjunction with National Park Service and Historic Denver, Inc., September 26-29, 1979
APT training course on Conservation of Sedimentary Building Stones
APT training course on Conservation of Architectural Metals
- 1978 10th Anniversary: Conservation of Sites and Structures – State of the Art in 1978, Ottawa, Ontario, Canada; Chateau Laurier Hotel, September 20-24, 1978
APT training course on Foundation Engineering for Historic Structures
- 1977 Annual Conference, Cleveland, OH, USA; Cleveland Plaza Hotel, September 28-October 2, 1977
APT training course on Conservation of Paint in Historic Buildings
- 1976 Annual Conference, Hamilton, Ontario, Canada; September 29-October 3, 1976
APT training course on epoxy
- 1975 Annual Conference, Williamsburg, VA, USA; September 24-29, 1975
APT training course on polymer adhesives
- 1974 Annual Conference, Halifax/Louisburg National Historical Park, Nova Scotia, Canada, September 25-27, 1974
- 1973 Annual Conference, Boston, MA, USA; September 27-30, 1973
